

THE ULTIMATE, LIGHTWEIGHT 4X4 CAMPER.

FITS ALL FULL-SIZE AND
MOST MID-SIZE TRUCKS.

T TUFPORT™
OVERLANDER

• Sea-to-Sky interior

Upgrade Your Overlanding Experience

The Tufport Overlander is not just a camper, but a companion for the soul-seekers and trailblazers. With its 64.5" internal height, it's designed not only for comfort but for efficiency, slicing through the air with its aerodynamic build, ensuring every journey is as smooth as it is thrilling.

Three bespoke interior layouts await, each a canvas for your life's stories. Whether you're solo or a team, the Overlander's interiors are a perfect match for those who yearn for the outdoors without leaving behind the comforts of home.

Say goodbye to the traditional, heavy campers that lumber behind you. The Overlander, crafted from a blend of fiberglass, SpaceAge Synthetics Thermo-Lite Board, and thermoplastic cores, is a fortress against the elements – waterproof, wood-free, and worry-free. Our one-piece design isn't just a solution; it's a revolution in overlanding aesthetics and functionality.

The Tufport Overlander is here to turn your dreams into destinations.

Technical Specs

Unit Width	Unit Length	Height		Door Opening		Base Unit Weight
		Exterior	Interior	Height	Width	
75" (6' 3")	82" (6' 8")	67"	64.5"	59"	30"	750lbs*

* Base weight of Ultra-Light model

Using a unibody construction method, the Tufport Overlander boasts durability and a fabrication heritage that few other slide-in campers can match.

Vortex Generating Edges form turbulent flow barriers, extending the duration of attached laminar flow and enhancing fuel efficiency.

• Sea-to-Sky (900lbs)

• Coast-to-Coast (900lbs)

• Ultra-Light (750lbs)
